

# Palliative Care Clinical Care Rounds

**CYIPR-01601-A**

 Tuesday, January 17, 2017  
 5:00 p.m. – 6:00 p.m. EST

## OBJECTIVES

By the end of the program, participants will be able to:

- Apply a multidisciplinary approach to decision making.
- Analyze challenging palliative care cases.
- Discuss treatment options by fostering the development of a community of practice for palliative care providers.

## PROGRAM DESCRIPTION

This session will provide participants with an opportunity to review best practices with other primary-care providers and local experts. The goal is to help each other better manage challenging palliative cancer cases in Northern Ontario and create a community of practice.

## DISTRIBUTED LEARNING

### WebEx:

Participants may join this session from anywhere via computer. Connection information will be sent to participants upon registration.

## AUDIENCE

Family physicians, palliative physicians, and nurse practitioners. Other disciplines may be invited according to the case presented: surgeons, pathologists, radiologists, medical and radiation oncologists, nurses, and other allied health-care practitioners.

## DEADLINE TO REGISTER

Friday, January 13, 2017

<http://bit.ly/2hFj8K>

## CASE SUBMISSION

Participants are encouraged to forward any cases they would like to discuss to CEPD Coordinator, Alisha Depatie ([adepatie@nosm.ca](mailto:adepatie@nosm.ca)). The deadline to submit your case is **Tuesday, January 10, 2017.**

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to 1.0 Mainpro+ credits.

Claiming your credits: Please submit your credits for this activity online at [www.cfpc.ca/login](http://www.cfpc.ca/login). Please retain proof of your participation for six (6) years in case you are selected to participate in credit validation or auditing.
