

Palliative Care Education Series

Problems Affecting the Skin in a Palliative Setting

Presented by: Dr. Andrew Migay

CYIPS-01606-A

Thursday, February 23, 2017
9:00 a.m. – 10:00 a.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Assess common dermatological problems seen in a palliative setting.
- Manage these problems in an effective manner.

PROGRAM DESCRIPTION

The Palliative Care Education Series provides regular lectures which discuss common end-of-life issues. During this session, Dr. Migay will discuss problems affecting the skin in a palliative setting.

PRESENTERS

Dr. Andrew Migay, MD, CFPC, is a family physician whose practice is focussed on palliative care. He is also an attending physician at St. Joseph's Hospice and Palliative Care unit in Thunder Bay.
