

HSN Grand Rounds

HSN's Clinical Drug Review: New Treatment Options and Drug Delivery Devices for Stable COPD

Presented by: Kaitlin Bynkoski and Mathew DeMarco

CGHGR-01610-A

Wednesday, March 1, 2016
7:00 a.m. – 8:00 a.m. EST

OBJECTIVES

By the end of the program, participants will be able to:

- Compare new drug delivery devices and advantages/disadvantages for your patient.
- Discuss an evidence based approach to the treatment of stable Chronic Obstructive Pulmonary Disease (COPD).
- Discuss patient cases of stepping up and down COPD treatment with new and existing drug therapies.

PROGRAM DESCRIPTION

The HSN Grand Rounds foster collaborative patient care and exchange of ideas across all disciplines in health care and medical education.

DISTRIBUTED LEARNING

Face to Face

HSN Level 2: Lecture Rooms A/B/C

Monday, February 13, 2016

PRESENTER

Mathew DeMarco R. Ph. is a pharmacist who works at HSN's HAVEN clinic in addition to the cardiology inpatient ward. and is a volunteer member for Grand Rounds, and the Sudbury Journal Club. Mathew is also a preceptor for Western Univeristy, the University of Toronto, and works with the Ontario College of Pharmacists as a Regional Continuing Education Coordinator.

Kaitlin Bynkoski R.Ph. has a Bachelor of Science from Brock University in Biomedical Sciences and a Bachelor of Science in Pharmacy from the University of Waterloo. Currently she is enrolled in the PharmD program at the University of Waterloo and is working towards updating her degree. Kaitlin has been a clinical pharmacist at HSN for the past three years, and she took on the role of medication safety pharmacist this past January. Kaitlin also works in community pharmacy part-time and is the Regional Clinical Coordinator of PharmD students for Sudbury. Kaitlin has a passion for education and is one of the continuing education coordinators for the Ontario College of Pharmacists here in Sudbury where she has the privilege to provide educational opportunities to her colleagues both in hospital and in the community.

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to 1.0 Mainpro+ credits.
