

Palliative Care Workshop

Medical Assistance in Dying (MAID)

Presented by: Dr. Deb Harrold

CYIPW-01602-A

Thursday, March 23, 2017
5:00 p.m. – 7:00 p.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Discuss the history and current legislation regarding medical assistance in dying in Canada.
- Highlight the potential role of palliative care leaders/organizations/networks in medical assistance in dying (ie. access, information, navigation, assessment, provision, etc.)
- Utilize practical information for clinicians involved with patient care through request for hastened death to possible provision of medical assistance in dying.
- Provide accurate and up-to-date information regarding the steps in a pathway of patient's request for hastened death to possible provision of medical assistance in dying.
- Discuss ideas regarding medical assistance in dying (MAID) access throughout regions.

PROGRAM DESCRIPTION

During this two-hour Palliative Care Workshop with Dr. Harrold, participants will be provided with a brief background on legislation around medical assistance in dying, practical information for clinicians involved patient care through request for hastened death, as well as accurate and up to date information regarding the steps in a pathway of patient's request for hastened death to possible provision of medical assistance in dying.

DEADLINE TO REGISTER

Tuesday, March 21, 2017

PRESENTER

Dr. Deb Harrold MD, CFPC, is a family physician providing consultative palliative care in the Huntsville area. For the past 10 years, she has been involved with the Algonquin Family Health Team as lead physician for the Palliative Care Team, Hope Huntsville. Dr. Harrold is the Medical Director for Huntsville Hospice and the Algonquin Grace Residential Hospice. Through her role as OPCN Regional Palliative Care Lead, she is a strong advocate for a "good death" and excellence in end of life care. She believes that those in need can have access to timely, quality palliative care through the integration of services provided by the many dedicated caregivers, health-care professionals, hospice organizations, and volunteers throughout the region.
