

Regional Education Rounds

Frail and Elderly Fracture Patterns: Concepts, Management, Controversies

Presented by: Dr. Travis E Marion

CGTRR-01706-A

Tuesday, December 12, 2017
12:00 p.m. – 1:00 p.m. EST

OBJECTIVES

By the end of the program, participants will be able to:

- Identify the changing demographics of the orthopaedic trauma patient.
- Explain concepts of common and changing fracture patterns within this population.
- Discuss practice management and future directions.

PROGRAM DESCRIPTION

The Thunder Bay Regional Health Sciences Centre (TBRHSC), in collaboration with the Northern Ontario School of Medicine (NOSM), provides monthly Regional Education Rounds (RER). The RER are multidisciplinary, interprofessional, and intended to foster effective team care.

PRESENTER

Dr. Travis E. Marion MD, MSc., BEd., F.R.C.S.C., is a newly appointed Orthopaedic Surgeon with subspecialty interests in orthopaedic trauma, spine, and arthroplasty. He obtained his Doctorate of Medicine and orthopaedic training at the University of Ottawa. Throughout his training, Dr. Marion has provided medical care in Haiti, held a number of administrative positions and has been the recipient of divisional and institutional teaching awards.
