This course is designed for healthcare providers that require BLS certification and CPR training with a focus on high-quality CPR. Using the Heart & Stroke 2015 AHA guidelines, this course is a video-based, instructor-led course that teaches both single-rescuer and team basic life support skills. Upon successful completion of a written exam and practical evaluation, you will receive a new Heart & Stroke Foundation of Ontario card.

Royal College of Physicians and Surgeons of Canada

This course is eligible for two (2) credits per hour under Section 2 of the MOC Program.
