## **HIRING: Casual Independent Contractor Physiotherapist**

### **About Neuro North:**

Neuro North is a mobile physiotherapy practice that offers neurological, vestibular, and orthopedic rehabilitation services in the City of Greater Sudbury and surrounding areas. Services are offered in client's homes, workplaces, or in the community at places such as gyms or pools. Common conditions we treat include stroke, brain injury including concussion, spinal cord injury, multiple sclerosis, Parkinson's disease, vertigo, dizziness, neck pain, back pain, headaches, and many more. Virtual services are also provided.

We believe that by providing physiotherapy services in-home, we help to eliminate barriers with getting into a clinic setting, such as poor mobility, fatigue, child care needs, transportation, and driving anxiety. Home-based physiotherapy allows the physiotherapist to truly see how the individual is functioning in their home or community. It also provides the most optimal opportunity for knowledge translation, as a client can be shown exactly where in their home to perform their home exercises and with what equipment or supplies they have.

Neuro North is a leader in providing evidence-based neurological rehabilitation in the North by offering the PoNS Therapy™, Neuro North won Platinum in the 'Home Health Care' category and Gold in the 'Physiotherapists and Rehab Clinics' category of the CommunityVotes Sudbury 2022.

### **Job Description:**

We are seeking a highly skilled and compassionate mobile physiotherapist to join our team as an independent contractor. In this role, you will be responsible for providing high-quality physiotherapy services to clients in their homes or other community locations.

As an independent contractor, you will have the freedom to set your own schedule and work with clients at your own discretion. You will be expected to provide high-quality care and adhere to all relevant laws and regulations governing physiotherapy practice in Ontario.

### **Responsibilities:**

- Perform assessments and develop treatment plans for clients with a variety of conditions, including musculoskeletal injuries, neurological disorders, vestibular conditions, and post-surgical rehabilitation
- Administer physiotherapy treatments, including exercises, stretches, and manual therapy techniques
- Educate clients on self-management strategies and techniques to prevent future injuries or exacerbation of existing conditions
- Communicate effectively with clients, families, and other healthcare professionals to coordinate care and promote positive outcomes

**Requirements:**

- Bachelors or Masters degree in Physiotherapy
- Active registration with the College of Physiotherapists of Ontario
- Strong communication and interpersonal skills
- Valid Driver's License
- Valid Liability Insurance
- Reliable transportation and the ability to travel to clients' homes
- Ability to work independently and manage your own schedule.

**Benefits:**

- Flexible Schedule: Enjoy the freedom to create your own work schedule and achieve a healthy work-life balance.
- No Minimum Client Commitment: Have the flexibility to build your caseload to the size of your choosing.
- High Compensation Rate: Earn competitive compensation for your valuable skills and dedication.
- Marketing Support: Benefit from our extensive marketing efforts to attract a steady stream of clients and grow your practice.
- Admin Support: Focus on what you do best while our administrative team handles appointment scheduling and client communications.

**Experience:**

- An understanding of the motor vehicle sector is a strong asset
- Physiotherapy residents are welcome to apply

**Apply Now:**

If you are looking for a change and are ready to provide professional mobile physiotherapy services and value the flexibility and support offered by our team, we want to hear from you! Apply today by sending your resume to [admin@neuronorth.ca](mailto:admin@neuronorth.ca).
