

Full-Time Physiotherapist

Our physiotherapist has relocated and we are searching for an enthusiastic and dedicated Physiotherapist to step right into a busy practice.

Remissio is a busy health and wellness clinic located in North Bay, Ontario, a beautiful community nestled between two of Northeastern Ontario's most beautiful lakes. Enjoy the lack of traffic and commuting while being minutes from outdoor opportunities and a community that is vibrant and welcoming.

Remissio is owned by a Clinician who is determined to grow the clinic into a collaborative environment for our team and our patients. Our multi-disciplinary team includes chiropractic, massage therapy, nutritionist and alternative therapies and technologies. Our goal is to provide our patients with comprehensive well-being and exceptional care.

You will fit well with our highly motivated, fun and compassionate team and strive to collaborate with all practitioners to achieve the best results for your patients. We encourage continuous personal and professional growth and support this with platforms and coaching to assist in this development.

This is a unique opportunity for you to mold your practice utilizing your preferred treatment techniques. We emphasize hands-on treatments in private treatment rooms. You will see a diverse patient population with ALL types of conditions and ages which keeps your practice interesting and full of learning opportunities. The range of patients include MSK conditions such as back and neck pain; knee, shoulder and hip pain pre/postnatal rehab; youth athletes; sports injury; adults with arthritic conditions; neuropathic conditions; and sports performance rehab.

We offer our Clinicians:

- Regular support in building and maintaining your caseload
- Full administrative support. We manage all reception, appointments, invoicing, and billing for you
- Electronic health records and online booking
- Private Assessment/Treatment rooms
- Continuing Education Allowance
- Purchase of preferred treatment equipment
- Competitive Compensation and Incentives - ranges from \$85,000-\$120,000+ annually *(let us show you how)*
- Signing Bonus
- Clinical Mentorship Programs

Specialty Techniques that would be a good fit:

- Matrix Repatterning
- Acupuncture
- Pelvic Health/Women's Health

- Vestibular Rehab
- Concussion Management
- IMS
- Orthopedics
- Sports

New grads are welcome to apply!
