

In-home Physiotherapist – Full Time, Part Time or Casual
Hiring in North Bay, Mattawa, Sturgeon Falls, Trout Creek, and Burk's Falls

As a Physiotherapist, you are responsible for the assessment of neuromuscular, musculoskeletal and cardiorespiratory systems and the treatment, rehabilitation and prevention of an injury or pain. The goal is to develop, maintain, rehabilitate, or augment function and promote mobility. Care will take place within a residential or institutional setting with referrals generated by a variety of sources. Client groups receiving treatment may include pediatrics for in home or school services and/or adults with medical/health concerns.

Why you'll love working here:

- Best in class training and development programs
- Celebration and Recognition programs
- Part time and Full-time opportunities and flexible scheduling options
- Comprehensive health and dental benefit plans
- Company paid mobile devices
- Mileage compensation
- Employee perks and exclusive offers

What you'll do:

- Conduct initial client assessments, identification of problems, and establishment of goals and treatment plans
- Develop client-centered plans with clients, inter-professional team and other stakeholders
- Engage clients using a collaborative approach, build rapport and trust, and achieve a mutual understanding and agreement related to the services to be provided
- Maintain professional client records related to client encounters and plans
- Work collaboratively with a multi-disciplinary team consisting of government agencies, healthcare workers, and other community resources

What you bring:

- Bachelor's degree in Physiotherapy
- Registered and in good standing with the College of Physiotherapists of Ontario
- Willingness to travel to and from client's residences within a designated area
- Valid driver license and access to a vehicle to travel to and from patient's residences within a geographical area
