

*The Rural Addendum form must be completed by any candidates who apply to the NOSM University Rural Family Medicine Stream. Applications submitted without the Rural Addendum are considered incomplete and will not be considered any further in the selection process.*

**In paragraph form (maximum 500 words):**

- Describe your personal rural background and/or rural experience, and how this influenced your decision to pursue rural residency training
- Describe the type of future rural practice that you could envision pursuing.

*Under the required document section for this stream, please ensure that you select the designated “Other Document – NOSM U FM Rural Addendum/Questionnaire” document type when uploading/assigning your completed form to your application.*

**Applicant Full Name:** \_\_\_\_\_ **CaRMS ID:** \_\_\_\_\_
