

*The Integrated Family Medicine/Emergency Medicine (iFMEM) stream form must be completed by all candidates applying to the NOSM University iFMEM stream. Applications submitted without the addendum are considered incomplete and **WILL NOT** be considered any further in the selection process.*

In paragraph form (maximum 500 words):

- Describe your personal and academic background that highlights your suitability for an integrated **three-year** program between the Family Medicine program and the Emergency Medicine Enhanced Skills program.
- Describe the type of future practice that you could envision pursuing upon completion of the program.
- Discuss how you anticipate managing the academic and personal challenges of this **three-year** program recognizing that it is distributed in nature and academically intensive

Under the required document section for this stream, please ensure that you select the designated “Other Document – NOSM U FM iFMEM Stream Addendum” document type when uploading/assigning your completed form to your application.

Applicant Full Name: _____ **CaRMS ID:** _____
