

# Individual Authorizer Workshop Communication Aids for Speech Language Pathologists and Occupational Therapists

to become an Individual Authorizer for the Assistive Devices Program

Augmentative and Alternative Communication Clinic  
FIREFLY

Thursday May 8, 2025  
9:00 am to 4:00 pm.

## This workshop includes:

- Hands on with writing aids and face to face communication devices
- Case study discussions about assessment and device selection
- How to make an authorization with ADP funding

Lunch Provided – please indicate dietary restrictions when registering for the workshop

*\*\*Please Note: This workshop is hosted by clinicians working in a paediatric setting. Clinicians working in paediatric and/or adult settings are encouraged to attend as we aim to encourage discussion for clinical practice across a spectrum of ages and populations.\*\**

## Registration information:

- THE ATTENDANCE IS LIMITED SO REGISTER EARLY
- Registration will close once enrolment limit is reached or one week before the workshop, whichever comes first.
- To register, go to the CEP website at [www.cepp.org](http://www.cepp.org) and click on the **Courses / Workshops Registration** link on the left side menu. **Payment is by credit card ONLY.**
- **You will register for the IA hands on workshop and the IA online Home Study Guide separately. The total cost of the process is \$100.**

**On-site parking is available for free**  
**Kenora has a small airport however the next nearest airport is Winnipeg.**  
**Travel from Winnipeg Airport to Kenora – approximately 215 km**

**Note:** The IA online Home Study Guide is required to obtain your IA status and is needed to participate in the workshop. The final quizzes can be completed on-line **after** you have attended the hands on workshop.

## Cancelation policy:

- **No refunds** for the IA online Home Study Guide.
- No refunds for cancellations of workshop less than 2 weeks before the workshop. A cancelation fee of \$10 will apply.
